

Ange de Lumiere

Sample testimonial (1)

Ange's presentation on how to use your intuition to make powerful business decisions was a masterclass in harnessing the power of intuition to make decisions in your business. Ange's insights weren't just theoretical; she provided practical tools and exercises that allowed us to put her teachings into action right away. This hands-on approach ensured that her session wasn't just a fleeting moment of inspiration but rather a catalyst for ongoing growth and transformation in our businesses.

Shelly Shuman, Membership manager and business development manager for Lisa Johnson, Global Business Strategist at <https://lisajohnson.com>

Ange de Lumiere

Sample testimonial (2)

Inspirational Speaker On The Power Of Intuition In Business – Ange is an inspirational and expert speaker on the topic of intuition in business – from developing forward-thinking business visions, innovative strategy to effective decision making and personal confidence. Ange's 15 years of study and work in the field of intuition makes her ideally placed to talk about the role of intuition and how to access and use it in business (from large corporates to solopreneurs) and forging successful careers as visionary leaders and change makers.

Nicola is a multi award-winning business coach/mentor and leadership coach, with over 27 years' experience in business, a TEDx speaker and the author of the Invisible Revolution, listed as one of the top ten business books written by women.
